

Underbuttock Drape

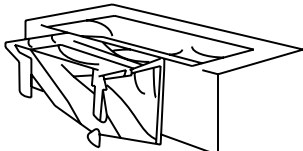

Fairmont Medical's Under Buttock Drape is ideal for use during general surgery, obstetric, gynaecology and urology surgical procedures.

Fairmont Medical's Under Buttock Drape will assist surgeons in capturing all patient body fluid run off from the surgical site, such reducing body fluid containment, post operative clean-ups and allowing examination of tissue deposits captured in it's pouch filter mesh. The drape is made from a tough non-woven material and will with stand heavy manipulation during use.

Cuff pockets provide easy aseptic positioning
