

Disposable Suction Y Catheters

Our Y Suction Catheters are available in full range of lengths and sizes to suit a variety of requirements.

Fairmont Medical offers an extensive range of Y Suction Catheters, which are ideal for removal of secretions from the trachea and bronical tubes and are made to Australian quality standards.

Y-cath catheters offer a soft rounded tip, kink resistant tubing, phthalate free PVC and have an ergonomically designed finger control, ensuring accurate comfortable use.

- Easy to identify colour coded sizing
- Radiopaque indicator marking available
- Graduated marking available
- Atraumatic, soft and rounded tips
- Selection of lengths to choose from 56cm, 43cm and 10cm
- See through finger control
- Single use, sterile, ready to use
- Quality Australian designed and manufactured

Atraumatic tip allows easy application and prevents tissue damage

Y-Type Connector with x-ray line and markings - Sterile, Disposable
