

# Protective Face Shield (DPF2020)

Fairmont Medical offers a wide range of cost effective Hospital Essential products.

Fairmont Medical's Face Shield has a transparent guard to provide full face cover and is intended to protect the healthcare worker from blood and other body fluid splashes while performing clinical or laboratory procedures. Unlike other face shields, Fairmont Medical's Face shield is locally manufactured in Victoria, Australia.

- Wide strap for long term comfort.
- Anti-Fog Clear Polycarbonate
- Lightweight, soft EVA foam that adds comfort
- Tangle resistant tubing allowing easy handling
- Single use, ready to use
- Quality Australian designed and manufactured
